That time and date works for me.

**Subject:** scheduling a Pilgrim meeting

We would like to schedule an EPA/MassDEP meeting regarding the Pilgrim Nuclear Power Station (PNPS) draft permit. There will be members of the project team from EPA and managers. To try to avoid vacation conflicts, I am looking the week of August 31. What is your availability on Sept 2 or the afternoon of Sept 3. In particular, Beth, Doug, Dave F., David W. and Ken have a meeting already scheduled for 1:00 to 2:30 on Sept 3<sup>rd</sup>. Could we meet extend that meeting for a Pilgrim meeting from 2:30 to 3:30 on 9/3/15?

David Webster
